# TANN'S GIN

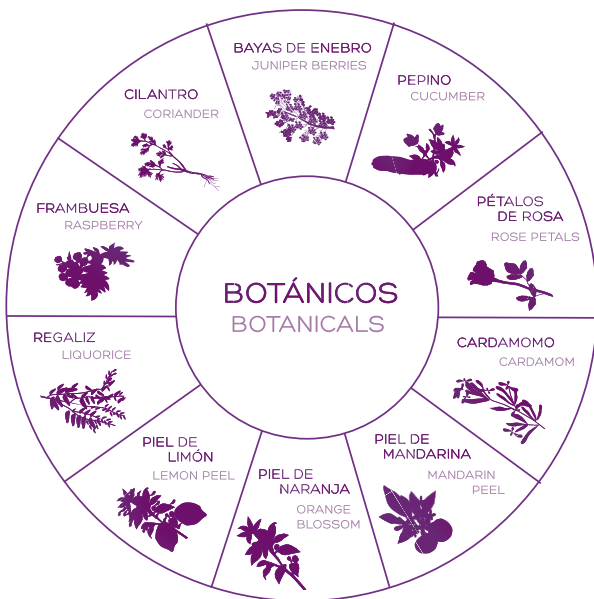

[ORIGIN : BARCELONA, SPAIN]

Tann's Gin is a multi-international award winning premium gin triple infused with 10 botanicals. Each of these botanicals add a distinct element, together creating a uniquely complex and aromatic gin.

Imported from Barcelona Spain, Tann's Gin has 100% grain neutral spirits, combining the predominate taste of juniper berries with a triple infusion of botanical ingredients that give this gin a special refined touch.

With 13 awards Tann's Gin is a must try for any gin lover.

Try it on the rocks or with your favourite soda and just enjoy its delightful aromatic flavour.
