VOLARE

LIQUEURS COLLECTION FOR COCKTAILS

[ORIGIN : ITALY]

Volare is a complete collection of cocktail liqueurs created in Italy, using traditional processes handed down for generations.

This is underpinned by a commitment to the true art of distillation, which for over a century has resulted in the highest quality liqueurs.

To capture the real fruit taste in every bottle fruit is carefully macerated and distilled according to tradition, in order to preserve all the original fragrance and aroma. Only the best raw ingredients are selected to grant a superior quality and deliver the fresh fruit taste to an extensive range of cocktail creations.

The range embodies genuine products that are a combination of traditional and innovative flavours. This is the perfect range to inspire bartenders; giving them the freedom to create classic cocktails or add their own flair.

Developed with professionals in mind each and every bottle has a retractable pour spout, ensuring speed of service and maximum ease of use. The base has a small diameter to fit a Boston shaker and the long ergonomic neck makes the grip easier.

VOLARE IS AN EYE CATCHING CONTEMPORARY RANGE AVAILABLE IN NINE FLAVOURS.
