100% Authentic Blue Agave Tequila.

In the heart of Jalisco's Highlands in Mexico grows the Blue Agave, also known as the Agave Tequilana. This region has ideal soil for the growth and ripening of Agave and is the key ingredient in Dos Mexicanos. Tequila is a regional specific name and recognised as a Mexican designation that has been origin protected since the 1970's.

The Dos Mexicanos Silver Tequila is renowned for being freshly bottled immediately after distillation. Produced under rigorous and stoically maintained quality standards, ensuring that only the very best product carries the Dos Mexicanos name.

Dos Mexicanos is a classic Mexican Tequila and represents excellent value for money. Distinguished by its beautiful agave note this tequila is delicious whether enjoyed neat with salt and lime, or mixed in tequila cocktails such as a margarita or tequila sunrise.
