CAPTAIN SILVER CAPTAIN GOLD

[ORIGIN : CARIBBEAN]

Captain Gold and Captain Silver Rum hail from the Caribbean, 'The Rum Capital of the World'. They are authentic rums with excellent value for money.

The Captain Rum masters have created a unique blend of the finest selections of spices and other natural flavourings such as vanilla, apricot and fig. It is then aged for rapid maturation.

White rum, in particular is the perfect cocktail base, with a lighter and sweeter flavour compared to darker rums. Smooth and well-rounded, Captain Silver creates an unbeatable cocktail including a magical Mojito, the perfect Pina Colada or the most delectable Daiquiri.

Captain Gold exhibits strong and complex associations with caramel and vanilla, yet it maintains the well disciplined and smooth mellowness of older rums that appreciators admire.

Perfectly crafted to be enjoyed straight, in rum cocktails and mixers or as an ideal addition to rum recipes. A thoroughly enjoyable rum is evident in every drop of Captain Gold Rum.
