# CELTIC HONEY

IRISH HONEY LIQUEUR

[ORIGIN : IRELAND]

Complex and mysterious, Celtic Honey is inspired by the traditional honey mead of ancient Celtic tribes of Olde Ireland.

Crafted from an old recipe handed down over generations, it is made in small batches utilising 100% local Irish ingredients. It is a sensuously smooth & pleasantly sweet liqueur enriched by single malt Irish whiskey and Irish honey.

Celtic Honey is versatile, ready to enjoy straight or in cocktails. It is perfect served with hot or iced tea, soda with a slice of lemon or mixed with an Irish cream liqueur.

Beautifully presented and with strong appeal to consumers wanting authentic brands, this is a great opportunity to tap into the growth in flavoured whiskeys.
