CHARACTERISTICS OF NEW ZEALAND'S MARLBOROUGH REGION

NEW ZEALAND WINES REPRESENT AUSTRALIA'S LARGEST IMPORTED WINE SEGMENT

# Kāmana

**Kamana showcases the fine winemaking characteristics of New Zealand's Marlborough region.**

This full flavoured wine pays homage to the striking Kamana bird that hails from the same location. Known as majestic and distinctive, the bird mirrors the characteristics that we set out to achieve in crafting this wine. In Kamana we have created a wine that leaves a lasting impression and a memorable experience for all to enjoy.

Marlborough is New Zealand's largest wine growing region, and one of the finest winemaking locations in the world. The magical synergy between the climate and soil has driven the explosive flavours of New Zealand Sauvignon Blanc and Pinot Noir, setting the international benchmark and awakening the world to New Zealand wine.
