DISTINCTLY SOUTH AUSTRALIAN

PREMIUM SELECTION

# ST AUGUSTUS

St Augustus is dedicated to celebrating everything great about South Australian wines!

With the muted head of the setting sun on our backs and the sight of the vines stretched out in front of us, a gentle calmness settles over this glorious place we call home. It's a place of hard work and toil but also a place of family and openhearted warmth. It's here we indulge our passion to create wines that are full-bodied and expressive. We nurture the vines and we craft the very best from the grapes they produce.

South Australia is home to some of the most famous regions, historic estates and the oldest vines in the country. From the intense tropical flavours of the Adelaide Hills Sauvignon Blanc, to the full flavoured charm of the Fleurieu Pinot Grigio, through to the big and bold characters in the Shiraz and Cabernet Sauvignon from Langhorne Creek, proves there is no doubt that there is a great wine in every pour!
