FULL RANGE OF VARIETALS TO APPEAL TO ALL TASTES

# Two Truths

There are always two sides to every tale, two versions of every event, two truths to every retelling. When we set out to make this wine, we had in the back of our head the well-known Latin saying, "in vino veritas" in wine there is truth. When gathered around the table with friends and a glass of wine in hand, the companionship is everything and the truths flows easily.

South Australia is home to the largest wine producing regions in the country, where unique combinations of soil, rainfall and temperature have created some of the world's best red and white varietals. Each region has unique regional variations in taste and quality, with some of the more popular being Coonawarra and Limestone Coast. When we think of these regions, the thoughts of sumptuous reds and crisp whites spring to mind – and this is exactly what the Two Truths varietals are all about!

From the easy drinking style of the Sauvignon Blanc, to the delicate red fruits in the Rose, through to the rich berry fruits in the Shiraz and Cabernet Sauvignon means there are definitely Two Truths truth to these wines – they are unique and irresistible!
